

Drop-In Activities

Just for Fun!

Lets Make Bubbles

All ages

We bring a variety of bubble-makers and everything it takes to fill the air with shimmering spheres of every imaginable size. Best outdoors!

Beads Galore

Ages 5 and over

What can you do with beads galore? Make people, animals, or jewelry! Children catch on fast and adults can't resist trying their own designs.

Thumb print Bookmarks

All ages

Create a bookmark by hand, literally! Using inkpads and a thumb-print (or finger print), you will be amazed at the things you can create.

Marvelous Masks

Ages 5 and over

When you make a mask you create a marvelous character with your imagination. Decorate with markers, feathers, felt and pom-poms.

Clothespin Creations

Ages 5 and over

Create animals, people and all kinds of things from clothespins!

Pop-Apart Puzzles *New!*

All Ages

Artists of all ages can create these down-to-earth puzzles. Using craft sticks and colorful markers, participants create a fun design. Pop the sticks apart, and challenge yourself or a friend to put your puzzle together again.

Thumbprint Bookmarks

All Ages

Create a bookmark by hand, literally! Using inkpads and your thumbprint (or fingerprint), you will be amazed at the crazy animals and beautiful flowers you can create.

Dutch Trade Beads

Ages 5 and older

Participants will have the opportunity to create their own Dutch trade bead necklace. A simple exhibit on the history of trade beads will be displayed.

These activities are also great for large group events– special pricing applies. *these programs are suitable for birthday parties.

The Scotia-Glenville Children's Museum offers unique educational and cultural opportunities to residents of New York's Capital Region. We are an all traveling museum without walls that travels to communities within a 50 mile radius of our administrative office. While we do not offer traditional museum exhibits at our headquarters, over 60,000 people enjoy our traveling programs each year. Our Summer Programs offer a sampling of some of our most popular science and art based programs.

Scheduling

To schedule a program call or e-mail the museum at least one week prior to the date you wish to have a program. In addition to the program fee, a travel fee based on mileage from Museum Headquarters to your location at the IRS rate will be charged. An invoice of all charges will be mailed to you within 30 days of program date.

Beyond the Classroom Programs 2011-2012

Classes

Beyond the Classroom programs are a special series, offering a mix of our most popular programs. One hour in length, \$95 plus travel fee per program.

Beautiful Butterflies*

Learn about the characteristics of insects and life cycle of the butterfly. Children will participate in a hands on activity using what they have learned.

Ages 5-11
Group size
Limit 30

Fantastic Colored Lizards *

Learn about lizards, see colorful wooden lizards hand-made by Zapotec Indians, and make a brightly colored lizard to keep.

Ages 6-12
Group size
Limit 30

Mysterious Bats

Learn about these fascinating creatures through songs, sounds and hands-on artifacts.

Ages 6-10
Group size
Limit 30

Backyard Bugs*

Come with us on a bug adventure to explore the world of insects. Make a bug catcher for future exciting outdoor activity.

Ages 5-8
Group size
limit 30

Watercolorful Painting

Learn the how-to of water color paints and brush which can make your paintings pop!

Ages 4-6
Group size
limit 20

Character Puppets

Focus on feelings, personalities, and emotions. Each participant makes a soft-faced puppet conveying an emotion determined by each child's choice.

Ages 4-11
Group size
limit 25

Sand Cards

Create your own unique greeting cards with glue, paint and sand, then make an envelope to match.

Ages 6-12
Group size
limit 30

Paper Beads

Make handmade beads using paper! Using colorful paper strips, the beads are rolled and strung to make necklaces, bracelets or key chains! Do the Earth a favor by recycling

Ages 8-12
Group size
limit 20

What's the Scoop?*

Learn about ice cream, and top it off with the hands-on experience of making it.

Ages 6-12
Group size
limit 30

What's the Matter?*

Investigate the properties of solids, liquids and gases through experiments, and discover "Mystery Matter".

Ages 5-8
Group size
limit 30

The Giving Basket

Construct a chenille stem basket that holds well-wishes and kindness, meant to be given away to someone in need of compassion.

Ages 5-12
Group size
limit 30

Charcoal Drawing

Learning how to draw with charcoal teaches awareness of light and form, and provides the basic knowledge and skills that can be applied to painting, ink drawing, and even computer-aided drawings.

Ages 6-12
Group size
limit 20

Clay Pictures*

Design and create an amazing two-dimensional scene with eight colors of clay.

Ages 6-12
Group size
limit 20

Watercolorful Painting New

for summer!
Using kitchen objects, "seasonings" and some brush-work to create work your family will want to frame, not just tack them on the fridge.

Ages 7-12
Group size
limit 20

Spider Silk

Younger children learn about spiders, their silk and webs through role playing with finger puppets, songs and storytelling. A related project concludes the program.

Ages 4-6
Group size
limit 20

So You Want to Be a Clown

Try out clown skills like juggling, design an original clown face and bring it to life.

Ages 6-10
Group size
limit 30

* Suitable for Birthday parties
