### **Beads Galore**

What can you do with beads galore? Make people, animals, or jewelry! Children catch on fast and adults can't resist trying their own designs!

### **Popcorn!**

Participants build connections between corn growing on a stalk and the popcorn they eat, using visual and hands on activities.

### **Marvelous Masks**

When you make a mask you create a marvelous character with your imagination. Decorate with markers, feathers, felt and pom-poms.

### **Clothespin Creations**

Create animals, people and all kinds of things from clothespins!

### **Quilts of Gee's Bend**

Quilts from Gee's Bend, Alabama, are famous for their beauty. Quilters used scraps of cloth from old clothes and cotton sacks to make quilts that have been displayed in museums. Make your own quilt using scraps of paper.

**Drop-In activities are ideal for large groups and community gatherings such as fairs and festivals. We bring all the supplies, you provide two 6-foot tables (more tables may be needed for especially large groups).**
